The sun is shining, the waves are lapping at the shore, and the palm trees are swaying. But, wait – there’s a touch of mysticism in the air. Can you feel it? That’s right, Halloween is right around the corner, and we at Kandima Maldives are ready to give you a tropiKal Halloween celebration like no other! Get ready to embark on a spine-chilling journey this Halloween on October 31, 2023, from 8:30 PM to 11:30 PM, with a Halloween-themed Buffet at Flavour and the Oh-so-kool events at Breeze Bar. It’s time for a ghostly gathering like no other! We’re brewing up an evening filled with spookily exciting experiences, a mesmerising moon-themed party under the starry skies, and plenty of spine-tingling treats for the little ones at Kandiland.

Prepare to be enchanted by our hauntingly beautiful decorations. Along the pathway from the deli leading to the breeze bar, you’ll encounter hanging human heads, intricate spider webs, and a mysterious cemetery illuminated by scary lights. The kids’ play area at Flavour restaurant transformed into a scary-looking bonfire spot. As you step into the dining areas, you’ll find them dimly lit, creating the perfect atmosphere for an unforgettable Halloween night.

What’s Halloween without a costume contest? We’ve got you covered with three exciting categories: Best-dressed little goblin, best dressed Couple, and Best dressed Family. Prizes will be awarded throughout the evening, adding an extra layer of thrill to the festivities. But that’s just the beginning! We have a host of fun activities lined up to keep everyone entertained, including the Pumpkin Foot Rally, a Kids Fashion Show, Candy Pendulum, and Straw Hands so do not forget to carry your spookiest outfit to impress.

At Flavour, dive into our ghoulishly delightful Halloween-inspired menu, and sink your teeth into unique offerings like Tomato consumes with Cyclops eyes, the Spider Web Salad Bar and an uber-spooky range of delicious offerings, making it memorable.

The dining highlights also include our Wizard Potions (soups) which are perfect for warming up on a Halloween night while the Devil Family Salad station featuring a range of delectable salads is anything but ordinary. For the main course, dive into the “Zombies” menu with dishes like Book of the dark lord assembled with layered lasagna with chicken or discover the crabs turning into sea monsters. Our little ghostbusters won’t be left out with a special kids’ menu featuring spookily-licious burgers, Casper’s hot dogs and so much more. It’s a Halloween feast that’s sure to delight the young and fun-loving at heart.

And what’s Halloween without some wickedly delicious drinks? Try our Halloween-inspired cocktails like Blood Clot, Witches Blood, She-Devil, Zombie, and Smoking Corpse. If you’re looking for some mocktail thrill, then dive into our Sweet Poison and Black magic concoctions. Your evening will not be dull as you dance away to the tunes of our live DJ with his Halloween-inspired musical beats that only get more exciting as you play some uber kool games with your loved ones from pumpkin foot rally, candy pendulum, straw hands and the iconic pumpkin pass.
